13 May 1983 DDW-12

The Director of Central Intelligence Washington, D.C 20505

12.

Critical Intelligence Problems Committee

Weekly Activities and Status Report for DD/ICS--13 May 1983

CIPC Organizational Activities

- We still have a very thin agenda for the CIPC meeting scheduled for 23 May; we will make our decision on whether to cancel/convene the Committee on Monday, 16 May.
- Reference last week's report on exploitation planning for the future. Briefings on this subject will commence next week. We will include you as appropriate.
- We will be meeting with Nick Schowengerdt, O/VP, next week, to review:
 - CIPC Narcotics Study.
 - EPIC Trip.
 - Miami Interdiction Operations Intelligence Center (IOIC).
- CIPC Monthly for April 1983 forwarded to DDCI via DD/ICS on 6 May 1983.
- Minutes for second CIPC meeting finalized and disseminated on 6 May.

<u>Items</u>	25X1
• Lebanon.	
 Review procedures on certain corresp 	pondence.
<u>Personnel</u>	
• CIA/CT, joined the statistics of the control of t	aff on 9 May; her assignment will be
• -scheduled for poly	13 May. ILLEGIB

week's report. Crisis Management: was requested by Dave McManis, the NIO for Warning, to participate in a working group to support requirements from the Crisis Management Facility which Dr. Richard Beale is developing in the Old Executive Office Building. had already undertaken a related task, i.e., an update of the Crisis Management Checklist. The first meeting of the working group will be held in the new Crisis Management Facility on 6 June. Dr. Beale will attend and will present a draft of the revised Crisis Management Checklist as the first item on the working group's agenda (Attachment). Inventory of Intelligence Community Collection Facilities: 25X1 25X1 In response to our discussion at last week's meeting, proposal for creation of a data base of Intelligence Community collection facilities. Its purpose would be to support base negotiations and contingency planning (Attachment). We have also retrieved a copy of the 1968 CCPC study 25X1 on this subject. Narcotics Projects and Activites: Committee responses on Narcotics TOR due today, 13 May. We will then finalize the TOR and task its implementation. However, the Working Group is presently working in accordance with the draft TOR. As of COB 12 May, we have not received any recommended changes. On 4 and 5 May, reviewed with members of the Collection Coordination Subcommittee (CCS) minor revisions in the National HUMINT Collection Plan on narcotics. The report is now in final printing. Note: Subsequent to publication of this plan, we will provide the Committee members a copy of the 25X1	• and others to EPIC on 9-11 May.	25X1
- Our perceptions of EPIC have changed considerably; very positive. - Trip report being developed. • As a result of the EPIC trip, Jim and Ray are planning trip to Miami IDIC. Relationship between EPIC and IDIO(s) is ambiguous. • You have received the	- Excellent trip and we have a lot to report.	
- Trip report being developed. • As a result of the EPIC trip, Jim and Ray are planning trip to Miami IOIC. Relationship between EPIC and IOIC\$() is ambiguous. • You have received the briefing on narcotics referenced in last week's report.
